Hi <Name>,

This is <Your Name>

How are you? I hope well.

I started wearing stem cell activating patches about a month ago. I am sleeping great, have more energy, soft skin, and anxiety went to zero! I have to say I feel 10 years younger:)

Take a look at startx39.com

Please watch the first 2 videos on light & stem cell activation If you like what you see then go to the science video and testimonials.

After reviewing text me your address and I will gift you 5 patches to try for yourself.

Best
